

# Combined Schools Winter Concert

Local primary and secondary schools  
City of Port Phillip

21st June 2017

Dear Parents,

Last July, a new tradition was begun in the City of Port Philip when the music teachers across government schools combined to put on a concert at the majestic South Melbourne Town Hall.

We enjoyed performances of instrumental and vocal ensembles alike. It was so successful that we're keen to do it again this year. Our 2017 Winter Concert will be held on Wednesday 21<sup>st</sup> June, between 5.00 & 6.30pm, at South Melbourne Town Hall. Performance ensembles hail from Albert Park PS and other City of Port Philip primary schools and Albert Park College.

Unlike last year, we have been unable to hire the hall without charge, so this year, all tickets must cost \$5.00 each. Available from your child's school, numbers are strictly limited so please do not delay purchase.

We hope you'll join us in celebrating our love of music demonstrated through the performance skills of our children and students at the 2017 Combined Schools Winter Concert.

Yours faithfully,  
Music Teachers from the City of Port Philip
